SECTION B — NEW IN V3.3

Complete Programme Leadership Structure

The programme is led by the Programme Director who monitors the overall flow of all activities. Each of the 5 DT phases has a dedicated Phase Leader from Politeknik Port Dickson who owns that phase's sessions and supports their group of 10 student teams through the process.

Programme Director

Programme Director

Overall programme monitoring — responsible for the complete flow of all 4 days, all activities, all sessions, all speakers, and all logistics coordination.

DT Phase Leaders — Politeknik Port Dickson

One dedicated leader per DT phase. Each leader facilitates their assigned phase across all 10 groups, ensures student teams stay on track with templates, and coordinates with the Programme Director on timing and output quality.

Phase
01

Empathise

Julie Marlina binti Hasan

juliemarlina@polipd.edu.my | 0173182511

Leads Day 1 empathy sessions — artisan interviews, motif exploration, field observation. Guides teams through T01–T04 templates. Monitors student empathy maps.

02

Define

Noor Darliza binti Mohamad Zamri

darliza@polipd.edu.my | 0123275488

Leads Define phase — How-Might-We framing, problem statements, T05–T07. Ensures each group has a clear, focused problem to solve before moving to ideation.

Phase
03

Ideation

Ts. Mohammed Farid bin Ishak

mohammedfarid@polipd.edu.my | 0132048483

Leads Day 2 ideation sessions — brainstorming, AI-assisted idea generation, T08–T10. Ts. Farid brings AI expertise supporting the SMART DT App usage across groups.

Phase
04

Prototype

Nor Haniza binti Mustafar Kamar

norhaniza@polipd.edu.my | 0127644214
